OLD BUSINESS:

A: Bylaws: Michelle still typing them

NEW BUSINESS:

- a. Dickerson Creek Drain: County Forestry has called Jeff and Ray about drafting an ordinance that takes responsibility from Sidney Township so they can test the water. They want an ordinance even though they test water already. Only would include the last 300 feet of the creek in the Township. A draft has been written by them already. Jeff will get a copy from them so we can look it over and adopt it. Merritt made a motion to table this until the next meeting, Wheat supported. Motion carried.
- b. Erik Benko is almost done with the electronic copies of the Master Plans. Had a discussion on whether to have them printed. Past practice has been to have printed copies for all PC members and some available to residents at a fee. Ray will look into the printing cost.

PUBLIC COMMENT: Troy Hansen asked for more information about the drain ordinance
